

This Week at the District

District Summer Picnic

The District site held our annual summer picnic this week. **Trustee Prinsky** and **Trustee Hornbuckle** joined in the fun at the Horticulture Garden at OCC. It was a beautiful day and filled with great fun and great food. I would like to acknowledge our District Employee of the Year, **Seyi Awoleye**. Seyi works as an Accounting Technician in the Fiscal Affairs office and while remaining behind the scenes, provides excellent service and value to the District. Congratulations to Seyi and to all of the nominees for the 2013 Employee of the Year.

Academic Senate Presidents Meeting

I was happy to host the Academic Senate Presidents this week. We were able to discuss the coming academic year and I asked them to help us chart the participatory governance structure. We also discussed the IT reorganization and how it may impact Faculty. As we move toward a new semester, I will continue to consult with this team on academic matters and look forward to working together to accomplish goals including the completion of a successful accreditation visit follow-up in the Spring.

Student Success Center now at each Coastline campus

Story courtesy of Daniel Pittaway, Student Success Instructor/Coordinator
dpittaway@coastline.edu www.coastline.edu/ssc

Did you know that Coastline currently has three Student Success Centers? They are located at the Le-Jao Center campus, Newport Beach campus, and Garden Grove Campus. In addition, tutoring is offered at College Center. The Newport Beach SSC is the newest and perhaps the best example of what all SSCs will look like in the future. Some students come to study independently and quietly, while others come with classmates to study as a group. There are computer stations, private study carrels, and tables for group work. Tutors walk around and check in with students and are also available for students who come specifically to meet with a tutor to review an assignment or discuss course content. Students may also print assignments at the SSCs. Overall, the SSCs are a meeting place, study space, and all students are welcome. Soon, SSC wallet cards will be distributed in classrooms at all sites highlighting the locations and services offered at the SSCs. Encourage your students to take one!

Continued

Fall enrollment is strong district-wide

Compared to last year's registration counts as of the first week before the start of fall, CCC is 13% above last year's resident FTES trend. Below is a snapshot of our enrollment compared to fall 2012.

These numbers are great, but there are a few coming events that will impact our FTES. There is still at least one additional "Drop-for-Non-Payment" scheduled before the first day of instruction. As usual, we can also expect a few students to drop classes during the first 3-weeks of instruction. Additionally, faculty will be dropping students for non-attendance and a few low-enrollment classes will be canceled. We also need to remember that there will be a slight correction of about -50 FTES to our numbers due to the conversion of Non-Credit FTES to Credit FTES.

Nonetheless, I want to thank all *Coastliners* who are working hard to advertise the college, recruit students, and fill our courses and programs. From answering the phones to printing the class schedules, to walking our students through the registration process (sometimes step-by-step), every one of you plays an important role in helping the college, and the district, meet our FTES goals.

APIASF offers \$2,500 scholarships for Asian and Pacific Islander Students

The Asian & Pacific Islander American Scholarship Fund is again offering scholarships in the amount of \$2,500 each to students who are of Asian/Pacific Islander ethnicity, are a U.S. citizen, national or legal permanent resident, and will be enrolled at Coastline Community College as a full-time student in the spring 2014 semester. Complete scholarship information, as well as the online scholarship application, can be found at <http://aanapisischolarship.apiasf.org>. This is an honor for Coastline and our students, and we would like to have a large pool of scholarship applicants to present to them. Faculty, please encourage your students to apply. Applications are due October 11.

Coast District hosting Launchpad meeting September 6

CCCD is hosting a Fall 2013 Launchpad Conference on Friday, September 6 from 11:00 a.m.-1:00 p.m. The conference will be held in the Coast Colleges District Board Room in Costa Mesa and lunch will be served. This conference will focus on innovation in higher education and will feature keynote speaker, Dr. Gene Wade, founder/CEO of UniversityNow. Please RSVP to Kristen Le at kle@cccd.edu by Friday, August 30. (Please note that this event takes place on the same day as Coastline's All-College meeting in Newport Beach.)
