Jerry Marchbank Named District Manager of the Year

COSTA MESA, Calif.—Jerry Marchbank, Coast Community College District’s Director of Facilities, is the 2011 District-site Manager of the Year. This year’s selection was announced at the District's annual management association mixer earlier this month.

Marchbank is responsible for the District’s environmental, health and safety department as well as the District facilities department. Marchbank is in charge of planning for the District’s \$370-million General Obligation bond, Measure C.

“Jerry is truly deserving of this recognition,” said Vice Chancellor of Administrative Services Andy Dunn. “He shows initiative above and beyond the call of duty. Jerry is always more than willing to do what it takes to get the job done. Combined with his great business knowledge and skills, Jerry is an outstanding leader and I am happy that his peers recognize his outstanding contributions to our colleges.”

Marchbank and his wife, Kim and their two children, live in Huntington Beach.
