**A. INVITATION**

The Coast Community College District is seeking a qualified California Environmental Quality Act (CEQA) consultant to review the existing conditions, analyze potential environmental impacts, identify policies and programs that serve as mitigation, and identify additional mitigation measures to reduce potentially significant effects of the proposed Vision 2020 Master Plan for the various colleges within the Coast Community College District.

Responses must conform with the requirements of this Request for Proposal (RFP). The District reserves the right to waive any irregularity in any proposal or reject any proposal which does not comply with this RFP.

All proposals shall be submitted to the District no later than **4:00 p.m. on March 20, 2013**. Interviews if necessary are expected to be scheduled April 5, 2013.

**B. PROJECT DESCRIPTION AND PROJECT BUDGET**

The California Environmental Quality Act (CEQA) requires that all State and local agencies consider the environmental considerations of projects over which they have discretionary authority. An Environmental Impact Report (EIR) is intended to provide decision-makers and the public with information concerning the environmental effects of a proposed project, possible ways to reduce or avoid the possible environmental damage, and identify alternatives to the project. An EIR must also disclose significant environmental impacts that cannot be avoided; growth inducing impacts; effects found not to be significant; as well as significant cumulative impacts of all past, present and reasonably anticipated future projects.

In November 2012, the voters of the Coast Community College District passed a \$698M General Obligation Bond initiative (Measure M) which will fund the capital improvement projects outlined in the District's "Vision 2020" Master Plan. As a result, the District expects to conduct significant construction/development projects at each of our three colleges over the next 15 years. The RFQ seeks to select a consultant to analyze and prepare all necessary reports to lead the District through the CEQA process in preparation for our upcoming capital improvement program.

This Agreement shall be binding upon the District and the Consultant and their respective successors and assigns. Neither the performance of this Agreement nor any part thereof, nor any monies due or to become due hereunder, may be assigned by the Consultant without the prior written consent and approval of the District.

I. INFORMATION FURNISHED BY DISTRICT. If required for the performance of the Consultant's services, the District will furnish information, surveys, reports, as-builts, and other materials available to District or which the District can secure at a reasonable expense.

IV. COMPENSATION. The District has the right to withhold payment from the Consultant for any unsatisfactory service until such time service is performed satisfactorily. The District will compensate the Consultant for the scope of services provided in accordance with this Agreement, calculated as follows:

A. For each purchase order and accompanying proposal, a maximum payment shall be established that shall not be exceeded without the prior written approval of the District. Alternatively, a lump-sum fee may be negotiated.

B. All fees shall be paid in accordance with the consultant rate schedule included in the Consultant's proposal for services. Rates shall not be changed except with prior written approval of the District.

C. Payments to the Consultant shall be made monthly, subsequent to the receipt of an invoice itemizing the costs of services provided, the applicable rate for such services, and clear description of time expended for services rendered during each month, or portion thereof, that the Consultant has invoiced the District for services performed.

D. Reimbursable expenses shall be only for actual costs as approved by the District. Paid invoices or other proof of payment shall be submitted when requesting reimbursement. E. Compensation for additional services, if required, shall be negotiated separately.

F. Total compensation pursuant to attached proposal in the amount of \_\_\_\_\_.

G. In the event of termination of this Agreement prior to completion of the services being performed, the District will pay the Consultant in full for all services satisfactorily performed, as determined by the District, and for all expenses incurred under this Agreement, up to and including the effective date of termination. In ascertaining the services actually rendered up to the date of termination, consideration shall be given to both completed service and service in progress, whether delivered to the District or in the possession of the Consultant, and to authorized Reimbursable Expenses. No other compensation shall be payable for anticipated profit on unperformed services.

## V. INDEMNIFICATION AND INSURANCE

### A. INDEMNIFICATION.

1. The Consultant shall indemnify, defend, and hold harmless the District and its Board of Trustees, officers, employees, agents, and representatives (collectively, "Indemnatee"), against all liability, demands, claims, costs, damages, injury including death, settlements, and expenses (including without limitation, interest and penalties) incurred by Indemnatee ("Losses") arising out of the performance of services or Consultants other obligations under this Agreement, but only in proportion to and to the extent such Losses are caused by or result from —

a. the negligent acts or omissions of the Consultant, its officers, agents, employees, subcontractors, subconsultants, or any person or entity for whom the Consultant is responsible (collectively, “Indemnitor”);

b. the breach by Indemnitor of any of the provisions of this Agreement; or,

c. willful misconduct by Indemnitor.

2. The indemnification obligations under this Article V shall not be limited by any assertion or finding that the person or entity indemnified is liable by reason of non-delegable duty, or the Losses were caused in part by the negligence of, breach of contract by, or violation of law by Indemnitee. The obligation to defend shall arise regardless of any claim or assertion that Indemnitee caused or contributed to the Losses. Indemnitor’s reasonable defense costs (including attorney and expert fees) incurred in providing a defense for Indemnitees shall be reimbursed by District except to the extent such defense costs arise, under principles of comparative fault, from Indemnitor’s—

a. negligent acts or omissions;

b. breach of any of the provisions of this Agreement; or,

c. willful misconduct.

3. The Consultant shall indemnify, defend, and save harmless Indemnitee from and against all loss, cost, expense, royalties, claims for damages or liability, in law or in equity, including, without limitation, attorney fees, court costs, and other litigation expenses that may at any time arise or be set up for any infringement (or alleged infringement) of any patent, copyright, trade secret, trade name, trademark or any other proprietary right of any person or entity in consequence of the use by Indemnitee of any documents (including any method, process, product, concept specified or depicted) supplied by Indemnitor in the performance of this Agreement.

4. Nothing in this Agreement, including the provisions of this Article V shall constitute a waiver or limitation of any rights which Indemnitee may have under applicable law, including without limitation, the right to implied indemnity.

INSURANCE.** The Consultant, at the Consultant’s sole cost and expense, shall insure its activities in connection with this Agreement, and shall obtain, keep in force, and maintain insurance as listed below. The coverages required under paragraph V.B. shall not in any way limit the liability of the Consultant.

1. Either Comprehensive Form General Liability Insurance (Contractual, products, and completed operations coverages included) with a combined single limit of no less than

\$1,000,000 per occurrence, or Commercial-Form General Liability Insurance with coverage and minimum limits as follows:

a. The Consultant shall have its insurance company provide the District with an acceptable form (Accord standard or equivalent) Certificate of Insurance and Endorsement.

## VI. STATUTORY REQUIREMENTS

A. **NONDISCRIMINATION.** In connection with the performance of the Consultant pursuant to this Agreement, the Consultant will not willfully discriminate against any employee or qualified applicant for employment because of race, color, religion, ancestry, national origin, local custom, habit, sex, age, sexual orientation, physical disability, veteran's status, medical condition (as defined in Section 12926 of the California Government Code), marital status, or citizenship (within the limits imposed by law or by the District's policy). The Consultant will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, ancestry, national origin, local custom, habit, sex, age, sexual orientation, physical disability, veteran's status, medical condition (as defined in Section 12926 of the California Government Code), marital status, or citizenship (within the limits imposed by law or by The District's policy). This equal treatment shall apply to, but shall not be limited to, the following: upgrade, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships.

////  
////

**B. PREVAILING WAGE RATES.**

1. For purposes of this Article, the term subcontractor or subconsultant shall not include suppliers, manufacturers, or distributors.

2. The Consultant shall comply and shall ensure that all subcontractors or subconsultants comply with Section 1770, and the applicable sections that follow, including Section 1775 of the California Labor Code. References to “Covered Services” hereinafter shall mean services performed pursuant to this Agreement that are covered by the aforementioned provisions as implemented by the California Department of Industrial Relations.

3. The California Department of Industrial Relations has ascertained the general prevailing per diem wage rates in the locality, if any, listed in the written authorization for the performance of construction, alteration, demolition or repair work as defined in Section 1720 of the California Labor Code for each craft, classification, or type of worker required to perform the Covered Services hereunder. A schedule of the general prevailing per diem wage rates will be on file at District’s principal facility office and will be made available to any interested Party upon request. By this reference, such schedule is made part of this Agreement. The Consultant shall pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by the Consultant in the execution of the Covered Services hereunder. The Consultant shall cause all subcontracts or subconsultant agreements to include the provision that all subcontractors or subconsultants shall pay not less than the prevailing wage rates to all workers employed by such subcontractor or subconsultants in the execution of the Covered Services hereunder. The Consultant shall forfeit to the District, as a penalty, not more than \$50 for each calendar day, or portion thereof, for each worker that is paid less than the prevailing wage rates as determined by the Director of Industrial Relations for the work or craft in which the worker is employed for any portion of the Covered Services hereunder performed by the Consultant or any subcontractor or subconsultant. The amount of this penalty shall be determined by the Labor Commissioner pursuant to applicable law. Such forfeiture amounts may be deducted from the Consultant’s fee. The Consultant shall also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Covered Services hereunder, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker.

C. PAYROLL RECORDS.

1. The Consultant and all subcontractors or subconsultants shall keep an accurate payroll record, showing the name, address, social security number, job classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyworker, apprentice, or other employee employed in connection with the Covered Services hereunder. All payroll records shall be certified as being true and correct by the Consultant or subcontractors or subconsultants keeping such records; and the payroll records shall be available for inspection at all reasonable hours at the principal office of the Consultant on the following basis:

a. A certified copy of an employee’s payroll record shall be made available for inspection or furnished to such employee or the employee’s authorized representative on request.

b. A certified copy of all payroll records shall be made available for inspection upon request to District, the California Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards of the California Division of Industrial Relations.

c. A certified copy of all payroll records shall be made available upon request by the public for inspection or copies thereof made; provided, however, that the request by the public shall be made to either the District, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. The public shall not be given access to such records at the principal offices of the Consultant or subcontractors or subconsultants. Any copy of the records made available for inspection as copies and furnished upon request to the public or any public agency by District shall be marked or obliterated in such a manner as to prevent disclosure of an individual’s name, address, and social security number. The name and address of the Consultant awarded the Agreement or performing the Agreement shall not be marked or obliterated.

2. The Consultant shall file a certified copy of the payroll records with the entity that requested the records within ten days after receipt of a written request. The Consultant shall inform the District of the location of such payroll records for the written authorization, including the street address, city, and county; and the Consultant shall, within five working days, provide notice of change of location of such records. In the event of noncompliance with the requirements of this Paragraph or with California Labor Code Section 1776, the Consultant shall have ten days in which to comply following receipt of notice specifying in what respects the Consultant must comply. Should noncompliance still be evident after the ten-day period, the Consultant shall forfeit to the District, as a penalty, \$25 for each day, or portion thereof, for each

worker, until strict compliance is accomplished. Such forfeiture amounts may be deducted from the Consultant fee.

D. APPRENTICES.

1. Only apprentices, as defined in the California Labor Code Section 3077, who are in training under apprenticeship standards and written apprentice agreements under Chapter 4, Division 3, of the California Labor Code, are eligible to be employed by the Consultant and subcontractors or subconsultants as apprentices for the Covered Services hereunder. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and written apprentice agreements under which the apprentice is training.

2. Every apprentice shall be paid the standard wage to apprentices, under the regulations of the craft or trade at which the apprentice is employed, and shall be employed only for the Covered Services hereunder in the craft or trade to which the apprentice is indentured.

3. When the Consultant or subcontractors or subconsultants employ workers in any apprenticeship craft or trade for the Covered Services hereunder, the Consultant or subcontractors or subconsultants shall apply to the joint apprenticeship committee, which administers the apprenticeship standards of the craft or trade in the locality, if any, listed in the written authorization for the performance of construction, alteration, demolition or repair work as defined in Section 1720 of the California Labor Code, for a certificate approving the Consultant or subcontractors or subconsultants under the apprenticeship standards for the employment and training of apprentices in the locality so identified. The committee will issue a certificate fixing the number of apprentices or the ratio of apprentices to journeyworkers who shall be employed in the craft or trade on the Covered Services hereunder. The ratio will not exceed that stipulated in the apprenticeship standards under which the joint apprenticeship committee operates; but in no case shall the ratio be less than one apprentice for each five journeyworkers, except as permitted by law. The Consultant or subcontractors or subconsultants shall, upon the issuance of the approval certificate in each such craft or trade, employ the number of apprentices or the ratios of apprentices to journeyworkers fixed in the certificate issued by the joint apprenticeship committee or present an exemption certificate issued by the Division of Apprenticeship Standards.

4. Apprenticeship craft or trade, as used in this Paragraph, shall mean a craft or trade determined as an apprenticeship occupation in accordance with rules and regulations prescribed by the Apprenticeship Council.

5. If the Consultant or subcontractors or subconsultants employ journeyworkers or apprentices in any apprenticeship craft or trade in the locality, if any, listed in the written authorization for the performance of construction, alteration, demolition or repair work as defined in Section 1720 of the California Labor Code, and there exists a fund for assisting to allay the cost of the apprenticeship program in the trade or craft, to which fund or funds other

contractors in the locality so identified are contributing, the Consultant and subcontractors or subconsultants shall contribute to the fund or funds in each craft or trade in which they employ journeyworkers or apprentices on the Covered Services hereunder in the same amount or upon the same basis and in the same manner done by the other contractors. The Consultant may include the amount of such contributions in computing its compensation under the Agreement; but if the Consultant fails to do so, it shall not be entitled to any additional compensation therefore from District.

6. In the event the Consultant willfully fails to comply with this Paragraph VI.D, it will be considered in violation of the requirements of the Agreement.

7. Nothing contained herein shall be considered or interpreted as prohibiting or preventing the hiring by the Consultant or subcontractors or subconsultants of journeyworker trainees who may receive on-the-job training to enable them to achieve journeyworker status in any craft or trade under standards other than those set forth for apprentices.

E. WORK DAY. The Consultant shall not permit any worker providing Covered Services to labor more than eight hours during any one day or more than forty hours during any one calendar week, except as permitted by law and in such cases only upon such conditions as are provided by law. The Consultant shall forfeit to the District, as a penalty, \$25 for each worker employed in the execution of this Agreement by the Consultant, or any subcontractors or subconsultant, for each day during which such worker is required or permitted to work providing Covered Services more than eight hours in any one day and forty hours in any one calendar week in violation of the terms of this Paragraph or in violation of the provisions of any law of the State of California. Such forfeiture amounts may be deducted from the compensation otherwise due under this Agreement. The Consultant and each subcontractor or subconsultant shall keep, or cause to be kept, an accurate record showing the actual hours worked each day and each calendar week by each worker employed under this Agreement, which record shall be kept open at all reasonable hours to the inspection of the District or its officers and agents, and to the inspection of the appropriate enforcement agency of the State of California.
